### Wilson County Stock Show Winners

It was another successful year for the students of Floresville at the Wilson County Stock Show. This is a huge effort by our Ag teachers Mark Jarzombek, Mike Billings and a host of volunteers and parents who make this a reality. From livestock, to trades, and baking, kids have the opportunity to show their best efforts. In addition to ribbons, the county show gives out thousands in scholarships. (Contd on Page 3&4)

## Power of Pink Continued

This event will be held at the city Hike / Bike Trail and will benefit the Alamo Breast Cancer Foundation. The honoree for this year's event is FHS Counselor LeAnn Drozd who was recently diagnosed with breast cancer. My wife Cristy and I will run in the event and push our two children in support of LeAnn, both our mothers who have beaten breast cancer, and all those in our Floresville Family who have experienced this dreadful disease.

I invite all of you in our Floresville family to come out and support LeAnn, The Women's Service Organization and all those working to find a cure for breast cancer.
